

STELLAR ASTROPHYSICS CENTRE

Second Announcement for the Stellar Astrophysics Centre Summer School 2014:

“Stars, Planets and Life in the Universe”

to be held at Aarhus University 10-22 August 2014

The preliminary registration is now open and the registration deadline is 15 May. The accepted participants will be notified by 23 May.

Information about the SAC Summer School in general as well as a draft program can be found at <http://sac.au.dk/currently/sac-summer-school-2014/>. Any inquiries should be sent to louise@phys.au.dk.

The Stellar Astrophysics Centre will cover all local costs (guest room, food and excursion) but the participants must cover their own travel costs.

We are looking forward to seeing you at the SAC Summer School in August!

Topics:

- Stars and Stellar Evolution
- Exoplanets and their properties
- Asteroseismology, stellar pulsations and structures of stars
- Astrobiology
- Earth-like planets

Lecturers:

- Jørgen Christensen-Dalsgaard
- Hans Kjeldsen
- Kai Finster
- Frank Grundahl

- Simon Albrecht
- Brandon Tingley
- Karsten Brogaard
- Christoffer Karoff
- Mads Fredslund Andersen
- Victor Silva Aguirre
- Victoria Antoci
- Tina Santl Temkiv
- Regnar Trampedach
- Rhita Maria Quazzani
